

Customized Spray Plastic Frame System Structuring For Production

Our Product Introduction

for more products please visit us on bythaiscaffold.com

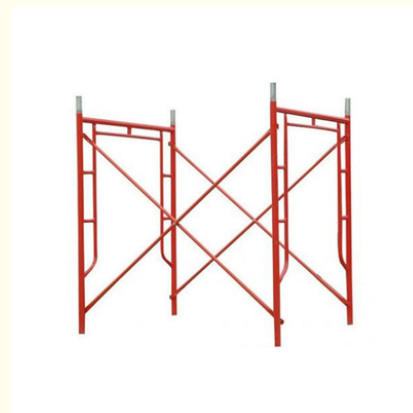

Basic Information

- Place of Origin: China
- Brand Name: Bythai
- Certification: SGS
- Model Number: BM205
- Minimum Order Quantity: 1000
- Price: 4.5-8.5
- Packaging Details: container
- Delivery Time: 10-15
- Payment Terms: TT/TC

Product Specification

- Arrival Time: 10-15
- Color: Steel/Spray Plastic
- Material: Q235
- Shipping Origin: China
- Load Capacity: High
- Size: Customized
- Highlight: **Spray Plastic Frame System Structuring,
Customized Q235 Frame System Structuring,
Non Slip Frame System Scaffolding**

Product Description

Product Description:

Key Features

Ladder frame design for easy assembly and disassembly

Walk-through scaffold system for convenient access to elevated areas

Scaffold mobile frame for easy movement on job sites

Scaffold stair system for safe and easy access to different levels

Scaffold tower for versatile and flexible use in various applications

Scaffold coupler for secure and stable connections between frames

Scaffold plank for a non-slip and stable platform for workers

Our Frame System Scaffolding is designed to provide a safe and efficient working environment for construction and industrial projects.

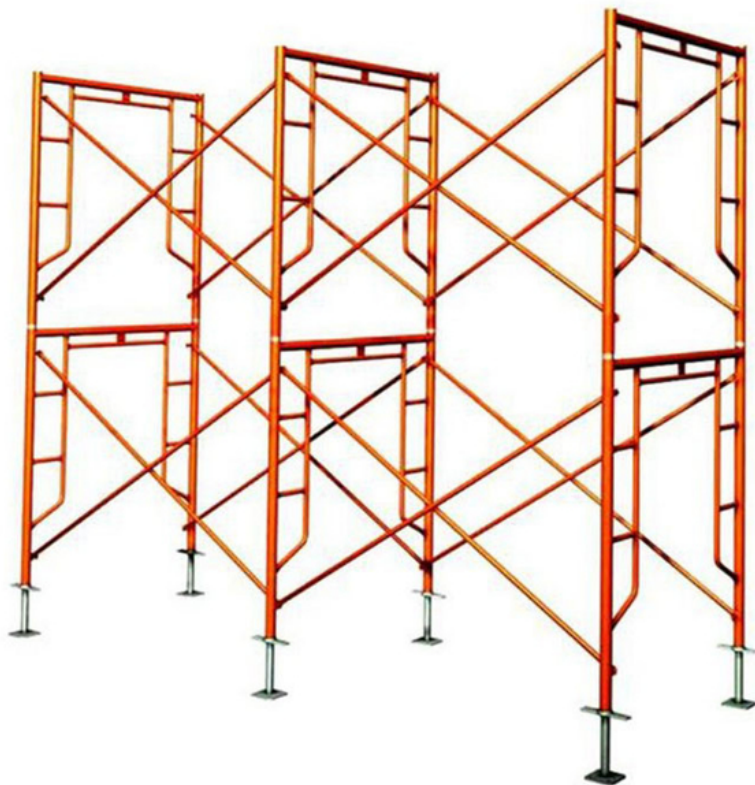

With its high-quality material, customizable size, and impressive load capacity, it is the go-to scaffolding solution for many companies.
