

Custom Length Galvanized Steel Scaffolding Plank / Steel Plank - Heavy Duty Construction

Our Product Introduction

for more products please visit us on bythaiscaffold.com

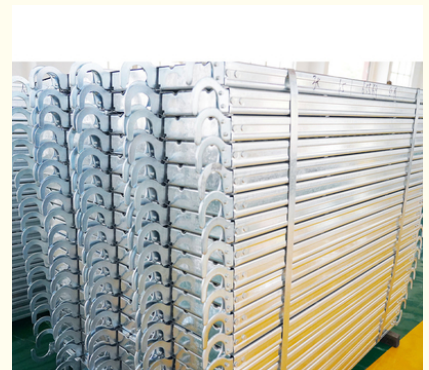

Basic Information

- Place of Origin: China
- Brand Name: Bythai
- Certification: SGS,ISO
- Model Number: BT205
- Minimum Order Quantity: 1000
- Price: 15.5-85.5
- Packaging Details: In bundles
- Delivery Time: 10-15
- Payment Terms: container, shipping

Product Specification

- Length: Customized
- Surface: Pre-galvanized/hot Dip Galvanized/Spray Plastic
- Material: Steel
- Place Of Shipment: China
- Usage: Scaffolding
- Packaging: Container
- Highlight: **Heavy Duty Construction Scaffolding Plank, Custom Length Scaffolding Plank, Construction Galvanized Steel Plank**

Product Description

Product Description:

Our steel plank is made of high-quality steel material, ensuring long-lasting durability and strength. It is available in three different surface finishes: pre-galvanized, hot dip galvanized, and spray plastic, to suit your specific needs and preferences. The pre-galvanized surface provides a protective coating to the steel, preventing it from rusting and corroding over time. The hot dip galvanized surface offers even greater protection against the elements, making it ideal for use in harsh environments. The spray plastic surface provides a highly visible and durable coating that is easy to clean and maintain.

This steel plank is specifically designed for use with ringlock scaffolding systems, providing a secure and stable working platform for workers at various heights. It can also be used with other types of scaffolding systems, making it a versatile and flexible solution for all your scaffolding needs. The steel staging plank is easy to install and remove, making it a quick and efficient solution for any construction project.

Our galvanized steel scaffolding plank is shipped directly from China, ensuring that you receive the highest quality product at an affordable price. The product is carefully packaged in a container to ensure it arrives at your construction site in perfect condition. Whether you're a professional contractor or a DIY enthusiast, our steel plank ringlock scaffolding is the perfect choice for your next construction project. Buy now and experience the ultimate in durability, strength, and reliability.

Features:

Product Name: Scaffolding Plank

Usage: Scaffolding

Length: Customized

Surface:

Pre-galvanized

Hot Dip Galvanized

Spray Plastic

Packaging: Container

Place of shipment: China

Keywords:

Steel Plank Ringlock

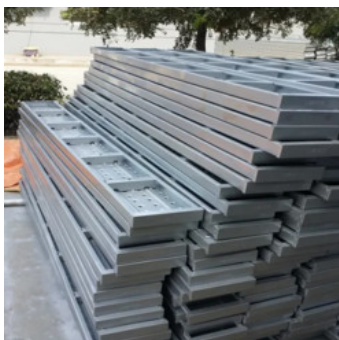

Steel Plank for Scaffold

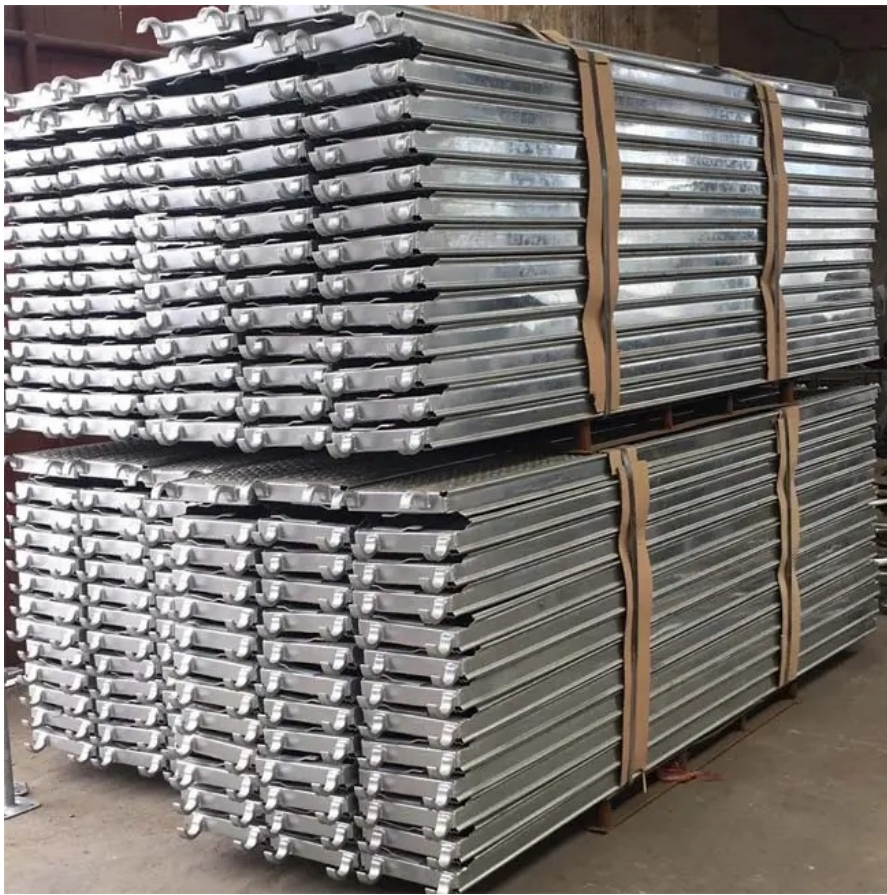

Steel Plank with Hooks

Steel Catwalk Scaffold

Technical Parameters:

Usage	Scaffolding
Material	Steel
Surface	Pre-galvanized/hot Dip Galvanized/Spray Plastic
Place of shipment	China
Length	Customized
Packaging	Container
Product Name	Steel Plank with Hooks / Steel Planks w/Hook / Steel Plank
